Bridal Showers, Rehearsal Dinners, and Day-After Brunches

We do them all! Skip the headache of dealing with multiple vendors throughout your wedding process. Let us handle it all. And the plus side? We offer “multi-event” discounts when you book more than one event during your celebration. Talk to your event specialist about details, options, and to get a personalized quote.

Linens and China

No wedding would be complete without the perfectly set table, adored with gorgeous linens and china tableware. Full china service is available at any venue that does not already have in-house china available. Should your venue not provide linens, or they do not offer linens you would like, we offer a large variety of linen colors, patterns, and materials to choose from. Pricing varies based on options, but our Event Specialists can get you a quote based on your requests.

Children's Meals

Children don't always want the same food as adults. We are happy to accommodate those children by providing a separate plated dinner including; chicken strips with ranch and ketchup, green beans, and mac-n-cheese for \$9.50 per child. Available for ages 10 and under.

*Prices subject to service charge and tax.

Full-service bar packages available at any venues that do not already have an in-house bar.

Options for open and host bar packages available. As well as fully customized options. See our Bar Service Menu or ask one of our event specialists for additional questions and details.

Wedding Cakes and Desserts

Currently, we only offer 6" cutting cakes in house. We do not offer multi-tier wedding cakes, but we work closely with several bakeries who offer nothing but the best cakes around!

We are pleased to recommend their services and get you in contact with one of their specialists.

Should you be interested in desserts beyond a traditional tiered wedding cake, we offer desserts from an ice cream or smore's bar, to hand pies, desserts on a stick, cupcakes, and more! Contact our event specialists for details.

Our event specialists understand that your wedding day is one of the most important days of your life.

Rest assured knowing your special day is in the hands of experts!
